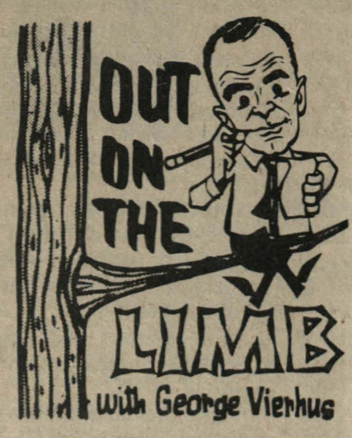
Vol. 81 No. 6 Wednesday, February 7, 1973 10¢

378-9136 35 Dillon Avenue, Campbell, California



THERE HAVE BEEN TWO national days of mourning recently within a few weeks of each other because of the deaths of two former presidents, Harry S. Truman and Lyndon B. Johnson.

On those two days the postal service, schools and most county, state and municipal offices were closed.

It was optional, so to speak, for the cities in this county to close their offices and most did, including Campbell, on both occasions.

While we agree that some show of respect was appropriate throughout the nation, we question whether the closing of city offices or other governmental facilities on those days really amounts to any meaningful gesture of respect.

We cannot help but wonder just how many of the thousands who were given these unexpected holidays paused during the day to give any thought to the reason why they had the day off.

If a "show of respect" was the objective, wouldn't a memorial service of a few hours duration been more in keeping?

-0-

THERE WILL BE THOSE who will claim that we are not looking at the situation properly....i.e., the "gesture" of respect was not the holiday for the employees that resulted, but rather it was the halting of governmental business.

Others will suggest that we were just envious because we couldn't take the time off.

But we suppose it can be argued that it is all academic, for the same situation cannot occur again for many years

There are no living ex-presidents now.

-0-

A DIVIDED COUNCIL vote authorized the closing of the city offices for the national day of mourning for former President Johnson.

The action came prior to any proclamation that there would be a national day of mourning. It was assumed that it would be forthcoming so the motion was contingent on that factor.

But there was a slight conflict over protocol.

A motion by Dean Chamberlin that the city hall be closed, if Governor Reagan declared the holiday, did not receive a second.

But a motion by Norm Paul that the offices be closed,' if the president declared it,was seconded and passed with Dean and Rusty Hammer voting for it and Ralph Doetsch and Bill Podgorsek opposing.

Ralph and Bill were not showing any disrespect to the ex-president by their votes, they pointed out.

They thought shutting down the city would be too costly.

-0-

APPARENTLY THE HIGH cost of shutting down governmental operations on these unexpected holidays has concerned a number of people.

For example, an editorial on the same subject entitled, "Waste of money", appeared in the Los Gatos Times-Observer.

We quote from the editorial of January 25:

"We can't imagine that either Harry Truman or Lyndon Johnson would want to waste the millions of dollars that will be wasted today (Jan. 25) or was wasted three weeks ago when President Truman was buried, by closing down the thousands of schools, all of the postal service and most county, State and municipal offices...

"This custom of declaring national days of mourning is pretty meaningless these times, we believe. This nation is too complex, the enormous expense and waste of this holiday can't be afforded any longer, and it means less than nothing--an unexpected holi-

CONDEMNATION ACTION

Hamilton Ave. project takes nine parcels

Another step toward the eventual widening of Hamilton Avenue from Highway 17 to Winchester, one of this city's major street improvement projects, is scheduled to be taken by the City Council next Monday, Feb. 12, when a resolution of condemnation of nine parcels on the street will be presented.

The condemnation action is necessary, city officials point out, in order that the project is not delayed. Negotiations will continue for the purchase of the parcels.

Most of the property needed is on the south side of Hamilton.

Up to bat before the City Council next Monday also will be the modified sign ordinance that has the prior approval of the Planning Commission.

Indications are, however, that the revisions which have been made in the city's sign ordinance will not meet with the unanimous approval of the City Council.

The main contention will involve the question of signs oriented to the freeway.

A committee, composed of Chamber of Commerce and city representatives, had recommended that requests for freeway- oriented signs be submitted for approval on an individual basis.

However, the Planning Commission recommendation, as submitted to the Council, calls for the elimination of such signs. Previously, such signs were prohibited under a City Council policy. The proposed ordinance would eliminate that policy.

Whatever action the City Council takes on the ordinance will have a bearing on two applications for freeway-oriented signs, one for Gold Key and the other for the PruneYard, that have been waiting in the wings.

On the agenda also will be the long-pending application of Joyce Kealoha for a zone change at 1849 Pollard Road to allow a dog kennel operation at the location.

The zone change application was originally submitted in October and was approved by the Planning Commission with the stipulation that the plans for the kennel were to come before the Planning Commission later when it would be determined if the noise level would be reasonable.

The Council subsequently bucked the matter back to the Planning Commission with the request that reasonable noise levels be defined.

On Monday night, the Planning Commission reaffirmed its original position and submitted standards that would be used when the plans were submitted.

The Council next Monday

Mail distribution changes affect Campbell post office

Changes that have taken place in the mail distribution operation in the Campbell post office during the last month are part of a "pilot program" that could be the fore-runner for similar changes affecting the entire San Jose area, according to Glen Knowles, officer-in-charge of the local office.

Knowles, a local postal employee since 1950, was named officer-in-charge when Bill Jennings, postmaster, was assigned to Pueblo, Colorado, as officer-in-charge there until a permanent postmaster is appointed.

Knowles explained that in January, 10 of the 21 clerks in the Campbell office and two of the four supervisors were transferred to the San Jose main office and that, at the present time, distribution of the mail is being done in San Jose.

No longer does the local office sort mail here, except that which has been dropped in boxes marked "Campbell." Mail is now delivered by the San Jose office to Campbell ready to be "cased" by the carriers or designated for the post office boxes.

Knowles said the 52 carriers (for 37 routes) still pick up their mail at the Campbell office.

The present staff of the local office, after the transfers, consist of 11 clerks, the 52 carriers, two supervisors, Max Kinney, acting superintendent of mails, and Jack Adams, acting assistant postmaster and Knowles.

Knowles added also that the main reason for the changes in the distribution system is that specialized sorting machinery is being installed in the San Jose main office.

Postal service officials are confident that the machinery eventually is expected to improve the service but admit that "bugs" during the change-over may have caused some problems.

Postal officials are also aware of the many complaints that have been registered in recent months over delays in the delivery of mail.

They point out, however, that having the mail from Campbell collected and then distributed by the San Jose main office should not cause any delay in the delivery service locally.

Mrs. Virginia Vaughn to run for Campbell school board

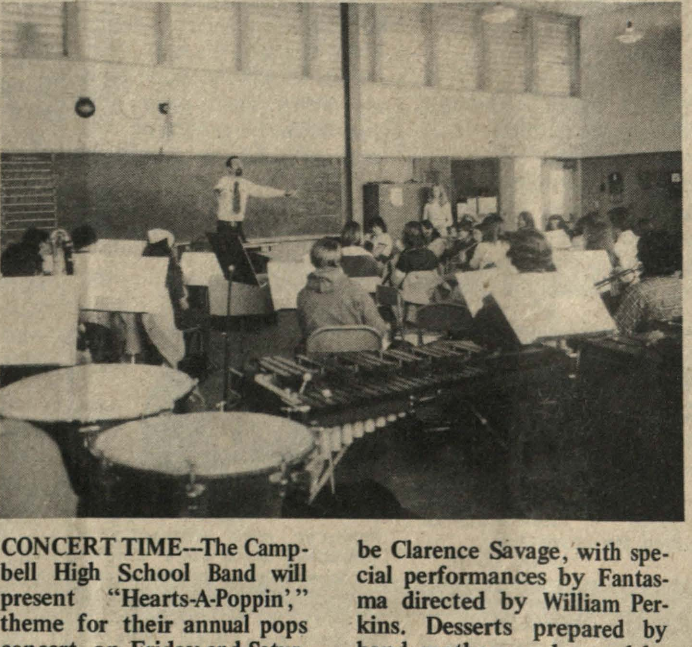
MRS. VIRGINIA VAUGHN
---seeks trustee post

Mrs. Virginia "Jennie" Vaughn of 355 Sobrato Drive, Campbell, this week announced her declaration of candidacy for one of three trustee seats coming up for election April 17 in the Campbell Union (elementary) School District.

Mrs. Vaughn is the wife of Ed Vaughn, an electronics engineer for I.B.M. Corporation at the Monterey and Cottle Roads location. She is mother of four children, John, who is in seventh grade at Campbell Elementary School, Janet, a fifth grader and Jill, a third grader at Hazelwood School. The youngest child, Michael, will enter kindergarten in the fall.

Mrs. Vaughn, a 13 year resident of Campbell, is known throughout C.U.S.D. for her long record of school involvement. She has served many years on the Hazelwood and Campbell Elementary Home and School Club boards. She has coordinated several adult education informational programs on Drug Abuse and Family Life Education. She has also served on district wide advisory committees that pertain to the educational process within the classroom; and is now serving on the Education Goals Committee. The largest volunteer task she has assumed for the school district was chairmanship of the February, 1972 tax election campaign for the district's 19 schools.

"Having observed the district's difficulties of the past two years and viewing this time as a reconstruction period," Mrs. Vaughn said, "I feel it is time to concentrate on renewed efforts for growth in positive directions for the district's 10,000 students, and to unify efforts toward common educational goals within the school community."



CONCERT TIME---The Campbell High School Band will present "Hearts-A-Poppin'," theme for their annual pops concert, on Friday and Saturday evenings at 8 p.m. in the school cafeteria. TENTH SESSION OPENS TUESDAY

Sitters seminar success stems from hard-working staff

For the first time in its five-year history, the "final exam" for the students in the baby-sitters seminar will feature baby-sitting under real life conditions.

When Campbell Fire Department's highly-successful baby-sitters seminar opens next Tuesday, February 13, for its 10th 10-week session, on hand will be some dedicated "faculty" members who have not missed a seminar since they were started in April, 1969, according to Fire Engineer Jack Christian, who has directed the seminars since their beginning.

The seminar will be held as usual at Campbell High School from 7 to 9 p.m. Graduation ceremonies will take place in Kennelly Hall at St. Lucy's when the seminar is completed on April 18.

Among those participating as faculty members, will be Dr. Robert Griffith, a pediatrician, who will discuss the symptoms and care of ill infants, as he has at all previous nine seminars.

Another "professor" who has been with the seminar from the beginning is Mrs. Ann Baker, a registered nurse, who offers instructions in advanced first aid.

And Fire Chief Gene Borden, who was fire marshal when the seminar was started, will offer his "tin pan fire drill" and home fire escape procedures as he has in all past seminars. Chief Borden was promoted to chief last year when former Chief George R. Maxwell retired to accept a position in Anchorage, Alaska. Chief Maxwell was instrumental in the organization and development of the seminars.

First aid demonstrations will be conducted by Fireman Mike Johnson, another veteran staff member, with the assistance of Christian. They will use the department's models, "Resusci-Anne" and "Resusci-Babe" in the mouth-to-mouth resuscitation demonstration.

Sgt. Frank Furtaw, of the Campbell Police Department, will present the law enforcement phase in a novel manner, using television shots of the right and wrong ways to handle law enforcement problems that may confront the baby-sitter. Using live models at home, Sgt. Furtaw was the sole producer, director and

CAMPBELL ELEMENTARY

Carl E. Samuelson files for trustee of school district

CARL SAMUELSON
---trustee candidate

Carl E. Samuelson, 30, of 2174 S. Abbey Lane, Campbell, this week filed as a candidate for the Campbell Union (elementary) School District Board of Trustees in the election on April 17. Terms of three trustees, Ralph Steinberg, Mrs. Judy Ruscigno and Mrs. Eleanor Graham-Armstrong are expiring. Filing deadline is February 16.

Samuelson, who is an accounting manager for Standard Brands, Inc., a food conglomerate in San Francisco, holds a B.S. Degree in business administration accounting from Colorado State University.

He has participated in many corporate management training and development programs and is currently attending U.C. Berkeley Extension in San Francisco.

He is a member and actively involved in the management training program sponsored by the Administrative Management Society. He is also an active member in the Sierra Club and is serving on the Citizen's Advisory Goals Committee for Campbell.

The Samuelsons have lived in Campbell for the past three and one half years and have three children, Michael, 7, Karla, 5, and Karen, 2. They are members of the Hamilton School PTA where Michael attends.

"As a concerned citizen and parent I have recognized the need our school district has for new, effective leadership. With a background in financial management and personnel administration I feel I can help meet this need," Samuelson said.

Editorial

Citizen involvement

More than 70 citizens of this community are participating in the activities of the Citizens Advisory Goals Committee and they have been assigned to various sub-sections or "task forces" in the three main areas of concern.

The next meeting of the entire goals committee will be held on Thursday, Feb. 22, which, incidentally, is the last day that new members can be added to the Goals Advisory Committee.

Those interested in participating in this citizen involvement program should notify the city manager's office at the city hall (378-8141) of their interest before that date.

The time table that has been established calls for the collection of data, a review of the recommendations and the drafting of the final report on the proposed goals in May and the presentation of the final report to the City Council by the steering committee in June.

Such a schedule will allow the City Council and staff to study the recommendations and possibly implement some of the selected programs, projects or services for the next fiscal year (1973-74).

Action by the Council will have to be taken in June, if any budgetary allocations for the programs are to be made.

It is conceivable, as a case in point, that the recommendations of the Citizens Advisory Goals Committee could have an important part to play in the use of the federal revenue-sharing funds that the city has received but have not as yet been allocated.

The City Council has indicated that there will be no official discussion even of priorities of the $191,000 in funds until the report of the goals committee has been received.

That emphasizes, we think, the importance the City Council has attached to this city's first goals committee.

In no way, however, is the City Council relinquishing any of its responsibilities or delegating any of its authority.

The final word is still the Council's, as far as implementing any of the suggestions and recommendations that will be submitted.

But the City Council, on the other hand, has recognized the importance of citizen input and involvement in these various areas of concern and has encouraged this activity.

By the same token, the 70 citizens, who are participating in the research and study that will lead to the eventual recommendations, have enthusiastically embarked on their assignments. We are convinced that the results will be a landmark in this city's history.

The three main areas of concern that the goals committee are researching are (1) physical and economic development of the city; (2) intergovernmental relations and (3) city's responsibility for people-oriented programs.

"Task forces" or sub-committees will concentrate on more specific phases of the three main areas. These sub-sections are meeting separately in work sessions.

For example, the physical and economic group with Al Blaine, as chairman, and Dick Hardy, as vice-chairman, has been broken into four study groups under separate chairmen.

One task force, under John Faber, is concentrating on traffic circulation and public transportation. Another, under Peggy Pack, is involved in the physical design and environment of the city. A third, under Carl Samuelson, emphasizes commercial, industrial and residental balance for optimum tax base, and still another, under Pete Edwards, is studying city services and capital improvements.

The people-orientated program area is headed by Dan Knowles, as chairman, and Jeanette Watson, vice-chairman. There are three sub-sections or "task forces" working.

The city's role in public recreational programming is headed by Tony Van Laarhoven; Barry Green heads the task force on services of senior citizens and youth-social services and Masel Sheehan is chairman of the cultural and special events group.

The inter-governmental relations committee, headed by Steve Goodman as chairman, and Jim D'Avis, as vice-chairman, is not broken into separate task forces but will conduct the study of this complicated area of concern as a committee-of-the-whole.

As another indication of the value the city administration has attached to the work of the goals committee, staff personnel have been assigned to the various task forces to assist the committee members in the obtaining of data and in overall research.

Clerical and secretarial assistance is also being furnished the goals committee.

We have always been convinced that citizen involvement and participation are highly important in local government.

We are pleased by the enthusiasm shown by the citizens and the cooperation of the city administration in this goals program.

We sincerely believe that it will prove to be of tremendous value to this community.

THAT TRAFFIC CENSUS that was taken on E. Campbell Ave. between Midway and Leigh Ave., for three days last week undoubtedly will have some interesting revelations when the tabulations are completed.

The objective of the survey, which was conducted by Russell Pearson, traffic consultant with city-county assistance, was to determine the origin and destination of the motorists who use that street and to obtain other pertinent data that could be useful in alleviating the heavy through traffic flow that has plagued the residents on the street.

During the four periods, each of three days when the survey was conducted, traffic was allowed to move only in one direction.

On the whole, the surveyors reported, the motorists were quite cooperative.

A few were agitated and upset.

One guy claimed that he had been stopped two days in a row which had forced him to be late to work at his new job.

The party must have been cutting it pretty fine, for the "interviews" took only 30-seconds and the longest tie-up for any one was two minutes.

Another person said that in the three days, he had been stopped five times!

That was possible but the odds would be against it.

His timing must have been atrocious.

Another individual reported that he had been commuting from Salinas to Westgate for a number of years and had always used the Leigh-Campbell Ave. route.

From Salinas?

-0-

BARRICADES, SIGNS and police, (not necessarily in that order), directed the motorists as to which way they could travel on E. Campbell Ave. between Midway and Leigh during the census taking.

And Leigh was closed off completely at Campbell Ave. on Thursday. We understand the phones really jangled on that.

Naturally many drivers ducked off the street and tried other thoroughfares in the area.

So there were counters on the other streets to get an idea of just how much heavier the flow was during the survey periods.

Most of the motorists heeded the "do not enter" barricade.

One time, however, a driver scooted past the barricade and started up the street. A police officer got on his bike and scurried after him.

In the meantime, other cars had followed the first car, so there was a slight jam up.

But that didn't happen too often.

We were somewhat surprised, however, to see a string of cars go the wrong way, however, on another occasion.

But that was planned.

It was a funeral procession.

FROM THE FINGERnail biting department:

"We are most anxious to have a little publicity in your newspapers. We understand that you have throw-away papers each week that would reach a good many people..."

Now that is really something.

To call this newspaper a "throw-away", a person just must want to live dangerously.

It's an affront that Carol Casteel, the circulation manager, and her 51 carrier boys, would probably consider basis enough for open warfare.

Under the circumstances, it would be difficult to blame 'em.

The little guys are well aware that The Campbell Press is NO "throw-away".

And so are the subscribers who pay each month.

The boys solicit, deliver and collect on their routes.

For sure, they are not about to throw 'em away.

MOST OF US WHO GARden in varying degrees of intensity, are now aware of the damage done by the December freeze.

It has been discouraging to many to realize that many of the plants that they have so carefully nurtured for a good many years, will never come back.

We have not surveyed the damage to our own backyard too extensively as yet because the wet weather that followed the freeze made things a wee bit soggy.

Not being an avid gardener in the first place, we may have over-used the sogginess as an excuse, although we know we are merely delaying the inevitable.

Sooner or later we will have to get started.

Incidentally, a recent report from Sacramento indicated just how bad that December freeze was in the 25 northern and central California counties.

In requesting that those counties be declared "natural disaster areas", the governor's office estimated the loss at $210 million.

The list showed that Santa Clara County suffered a $469,000 loss in vegetables and nursery stock.

On a comparison basis, San Francisco County lost $293,000 and Santa Cruz $1 million.

San Mateo showed $3 million in artichokes and nursery stock.

The biggest loss occurred in Tulare County to the citrus with $27.5 million registered, followed by Fresno with $7.9 million.

The lowest loss was Humboldt with $2,500...with the notation that there was no agricultural loss in that county but damage to water lines.

In this area, it seems, nursery stock took the worst beating which could mean that our weekend gardening this year of necessity could be curtailed.

That's the only cheery spot we can find in the whole dismal picture.

For us, we mean.

College to hold auditions

Auditions for West Valley College's spring drama production, "The Deadly Game" by James Yaffe, will be held February 13 and 14 at 7 p.m. in the Campbell campus auditorium.

The play is an adaptation of the novel "Trapps" by the celebrated writer Frederick Duerrenmatt. It is described as a modern psycho-melodrama with an excellent variety of character roles, including five male and two female parts.

Scripts are on reserve at the Saratoga campus library and the Campbell campus reading room.

All residents of the West Valley College District are invited to audition. Unit credit is available for the production, slated to run May 10-12.

The auditorium is located on the corner of Winchester Blvd. and Campbell Ave.

ADVANCED GUITAR

West Valley College's Community Services office is offering an advanced classic guitar class which began Feb. 6.

Each Tuesday night from 8:30—10 p.m. through May 29 enrollees will perfect the expertise they learned in beginning guitar classes.

Bahram Behroozi, West Valley College music instructor, will instruct the course.

GETTING SET TO GO—Campbell's Robert Miller, science teacher at Silver Creek High School and president of the Santa Clara County Science Teachers Association, poses for his passport photo shortly before leaving for Taiwan. He is accompanying two San Jose high school students as guests of General Electric's International Sales and Nuclear Energy Divisions and the Taiwan Power Company to attend the 17th International Edison Birthday Celebration.

Campbell teacher guest at annual Edison celebration

Campbell teacher Robert Miller and two San Jose students, were luncheon guests of Consul General C. C. Tuan, of the Republic of China and U. S. Consul Hung in San Francisco.

Miller, 13 Jane Ann Way, is spending 10 days in Tokyo, Taiwan and Hong Kong as guest of the General Electric International Sales and Nuclear Energy Divisions and the Taiwan Power Co. Accompanying him are honor students, Gail Christie, 17, of Pioneer High School, and Richard Rodriguez, 17, of William Overfelt High School.

The trio are representing the United States and San Jose at the 17th International Edison Birthday Celebration in Taiwan, February 10-15.

Madeleine Edison Sloane, great-granddaughter of the famed inventor, was also a guest of the Consuls in San Francisco last week.

A science teacher at Silver Creek High School, Miller is the current president of the Santa Clara County Science Teachers Association.

The annual celebration, time to commemorate the February 11 birthdate of Thomas A. Edison, was initiated to encourage young people to pursue careers in science and technology.

Selection of students was made by school officials on the basis of outstanding accomplishment in high school science work and an interest in pursuing a career in science.

While in Taiwan, the U. S. group and young people representing eight other countries, will meet with Taiwan government and industrial leaders, visit industrial plants and see Taiwan culture and life styles.

is also expected to call for bids for furnishings for the engineering wing at the city hall now under construction. The wing is expected to be completed in March.

The agenda for next Monday's meeting also includes a letter from Herb Wadley, of the Campbell Elementary Teachers Association.

In his letter, Wadley has submitted that some of the funds that the city has received in the federal revenue-sharing program should be used for maintenance of the neighborhood parks at the schools that have been built with city funds.

Wadley suggests that the maintenance charges which the school must carry curtail the amount of money that could go for teachers' salaries.

RECEIVING INSTRUCTIONS—Students receive instructions about the "Voice of Democracy" broadcast scriptwriting scholarship program at the Veteran's Memorial Building in San Jose. Next Tuesday evening, the finalists will be honored in a program at Campbell High School.

Finalists honored by veterans

State Senator Alfred E. Alquist will be the guest speaker as the Veterans of Foreign Wars announce the 19 finalists in the "Voice of Democracy" broadcast scriptwriting scholarship program on Tuesday, February 13, 8 p.m., at Campbell High School.

Each of the finalists will receive a $25 government bond donated by the 14 VFW posts and 12 auxiliary organizations which comprise the Santa Clara County Council.

Top three winners, to be announced that evening, will present their talks and runners-up will receive an additional $25 bond, while the student who places first will receive a $50 government bond.

Campbell High School principal Robert Peck is host and VFW chairmen include; Commander Vic Kearns, Mrs. Jackie Harris, president of the VFW county council auxiliary; and Arnold Koutz, "Voice of Democracy" chairman.

The perpetual trophy, now at Campbell High School, will be presented to the top winner by David Rosenthal, Campbell High senior, who placed first in last year's competition. The trophy will go to the school which the winner attends until the 1974 finalists are announced.

Zone change for dog kennel again gets Commission okay

Reaffirming the original recommendation made in October, the Planning Commission on Monday approved the zone change application of Joyce Kealoha to allow a dog kennel operation at 1849 Pollard Road.

In an added stipulation, the Planning Commission forwarded to the City Council, the guidelines that could be used to judge the reasonable noise levels of the proposed kennel when the plans come before the Commission.

The guidelines suggest a noise level of 70 dba between 8 a.m. and 8 p.m., and a lesser level after 8 p.m. The Commission also suggests that two years elapse between the first and second phases of the proposed operation.

The City Council did not act on the original recommendation of the Planning Commission but sent it back for more specific definition of reasonable noise level.

The action of the Planning Commission was taken without reopening the public hearing, an action that was opposed by Fred Chez, who has opposed the proposed kennel from the beginning.

Chairman Don Hebard explained that the commissioners felt that the proposed guidelines satisfied the Council's directive and it was not necessary to reopen the hearing.

Approval was granted the landscaping plans for the new Mervyn's Department Store that will be located at Hamilton and Marathon and also the modified landscape plans of Garland J. Spears for his trailer sales operation at 174 Curtner.

Approval was also granted the Ziegler Development Corporation for the first phase of the shopping center at Hamilton and Llewellyn.

Other matters on the agenda were continued until other meetings.

These included, the revised plans for a commercial building for scuba diving classes at 2110 Winchester; application of Carl W. McGee for plans for conversion of residential buildings at 34 W. Campbell; application of Gold Seal for conversion of a residence into an office at 492 Nottingham Way; the application of Verne L. Buckle for a plumbing shop and offices at 240 Dillon; and, the application of Carpeteria for a pole sign at 423 E. Hamilton.

A number of the commissioners expressed concern and impatience over the continued delays requested by those seeking approval of the residences into offices.

Commissioner Myron Alexander submitted that there seemed to be an unfair double-standard involved in these conversion situations. He explained that those who were already occupying the buildings seemed to be getting preferential treatment as opposed to those who had to wait until the conversion was completed before moving in.

BOARD MEETS THIS THURSDAY

Trustees of Campbell Union (elementary) School District will meet this Thursday, February 9, at 7 p.m. in the administration office.

One of the letters on the agenda is from Gordon Martin, of the teachers' union, criticizing the settlement made in the Royer case. Martin concludes his letter with: "Finally, we are distressed because, if before, the Board lacked credibility only with its critics, it must now surely lack credibility with many of its defenders."

Perhaps even more puzzling was the scene in Room 36, third period--the boys waiting eagerly as the girls of the class sampled each of the six delicious-looking cakes on display.

Actually Miss Orozco's Spanish III class was holding a baking contest with a twist that day--male cooks and critical female judges. The class got the idea from a Spanish story that they'd read and decided to adopt the contest (with a slight variation). Every boy in the class entered a cake of his choice and after much deliberation and a secret vote, the winner was chosen. SATURDAY, February 10: WVAL Varsity wrestling tournament at Leigh, all day.

MONDAY, February 12: No School!

TUESDAY, February 13: Basketball with Leigh there at 7:00, soccer with Saratoga here at 3:00.

DOSS: BOSS!

I agree 100% with you, Colleen Rooney. Campbell's spirit is the best around. Many people contribute to making our spirit special, and I feel that a couple of them deserve some recognition--Liz and Karen Doss.

Liz has been extra competent at her job this year as Spirit Commissioner. She has organized rallies, bake sales and spirit competitions as well as spending a lot of her time stubborn and sometimes uncompromising people. Karen is unquestionably one of the best cheerleaders around and she can be depended to turn an apathetic crowd into a loudly enthusiastic one. Her absence from a game can be quickly noticed because of a lack of crowd involvement. Other work behind the scenes is rarely noticed--long, hard hours of practice, for example.

Of course, many other people contribute their time and efforts towards making our spirit a little more than just rah-rahing at games. Fantastic flag girls and an unbeatable drill team add a lot. But Liz and Karen are two of the bases that support the rest.

IN CLOSING

A final word to the wise from your columnist on crutches--stay away from bunny slopes and watch those -bleeped! - moguls!

Westmont *Open* Mouth

PAUL & MS. MAUREEN

(Macierz) (Hillyard)

M S.: Have you read Sandy's "Foot in Mouth?"...Paul get your head out of the oven.

Paul: Why did you pull me out of there, I can't even show the back of my head on the streets of Campbell?

GO VOTE!!

This Friday the Westmont voting student body will go to the polls and elect new A.S.B. officers.

The race for the presidency is up to the girls. Seniors Rachel Garcia and Sandy Martin are battling for their place as Westmont's first woman president.

Phillip Robinson, Lynn Smith and Raul Perez are up for vice-president.

Running for the office of Manager of Student Affairs are Peter Strurm, Craig Rouse and Don Martin.

In the running for class senators are: Seniors; Rod Frasier, Sheri Baker, William English. Juniors: David Lackner. Sophomores; Bill Stryker Freshmen; Spike Leyva, Terry Triplett, Robin Werner and Sue Smith.

We strongly urge all the students at Westmont to get out and vote.

Paul: I can't take it any more! They stopped the bombing in Viet Nam, but do you think they would stop the raid on us?

Ms.: Take that bag off your head, I can't understand you.

EURO-CAMPER

Tennis in London-Chigwell, sailing in Holland, cycling in the Austrian mountains, and dinner in Paris.

From June 19 - July 16, students are offered the opportunity to visit England, Holland, Austria and Paris for a day.

Teacher Randi Ellman said, "It's for students, not only for Westmont, but it is not a study tour."

In this 28-day tour, students will not only be visiting famous places, but will enjoy outdoor activities provided by domestic camps.

The fee is $759 which includes food, transportation and lodging--usually in dorms.

Non-Westmont students interested in going on the Euro-Camper tour should contact Randi Ellman at Westmont, 378-1500.

Ms.: Paul, that's okay. The price of fame has its hassles, and all that.

Paul: One minute you're the darling of Campbell press society, and the next you're beside the obituaries. It's cruel, it's inhuman, it's...

JOCK TALK

Varsity league wrestling finals are being held this Saturday at Los Gatos High.

If you really want to see something different? Sure you do--then come on out and see Westmont's International soccer team.

Jockettes.

The eminent Girls Sports hockey team came home with a second place in district finals.

The female dribblers ran their feet off, but could not capture a place in the Girls Sports basketball finals. Better luck next time Kathy Dunn.

Ms.: Paul, pull yourself together. You're losing your mind. Paul, cut it out!

Paul: Mmmblcrmble.

THE SPICE OF LIFE

Westmont's first student-faculty Variety Show will be presented tomorrow night from 7:30 to 9:30 in the cafeteria.

Presented by the Thespians and drama classes, the evening will unveil many hidden talents of Westmont.

The show will consist of solo acts, skits, singing and instrumental performances, each limited to 10 minutes long. So go February 8 and enjoy.

Paul: All right, I've had enough of this. I'm not going to let it bother me at all.

Ms.: Oh, good. Now I can tell you about Coleen Rooney's column. She got us too.

Paul: *Sob*

UPCOMING EVENTS, NEWS & GOSSIP

Tomorrow is the first unannual Variety Show. It starts at 7:30 p.m. and ends at 9:30 p.m. in the cafeteria. Go and enjoy, enjoy.

What very well known and limber teacher is currently seeing an awful lot of Westmont's very own uncle?

February 9 is the basketball game against Camden there at 7 p.m.

Why does Veronica Lake now sit near us first period?

ASB elections are on Friday. Vote!

Is R.E. now in the process of planning a romantic canoe ride with K.H. ?

A belated happy bornday to Westmont alumnae Peggy Bain.

The Westmont Rock Concert has been rescheduled for February 15.

Paul: What are we gonna do, S.H.?

S.H.: It isn't so bad. Why don't you get a job as a Kamakaze pilot?

Paul: I get a nose bleed when I swing too high.

EGO CORNER

This week we bounce our Varsity Basketball team with Ego Corner.

The mighty dribblers are the league's second place team, and we're proud of them with a league standing of 7-1.

Paul: I'm going to take the ultimate step.

Ms.: No! Don't do anything drastic!

Paul: Maureen, being in power means you sometimes have to be ruthless.

Ms.: You don't mean....

Paul: Yes! I'm taking away Sandy Mann's Ego Corner.

Cougars Corner

by Mike Lindsey

All seems to be quiet around here without any major incidents. The student body has slipped back into the day-to-day calm that occurs after the holiday season is over. There's a little talk about Easter vacation but it's still pretty early. Most of us find it hard to believe that the year is half over but no one is knocking it.

PHOTO CLUB

Camden's Photo Club went on a field trip, Sunday, February 4. The all-day trip was taken in an attempt to find some excellent scenery. The trip was taken in the Santa Cruz Mountains and then they headed toward the beach. In this way, they found a complete range of photographic displays. Many great scenes have come from this trip and if you are lucky you may find them in a display.

DISNEYLAND FOR SENIORS

The first $8 payment for the after-graduation trip to Disneyland is due. The total cost of the trip will be $24, which will include bus fare down and back and a ticket into Disneyland. Many seniors were surprised to find that formal wear must be worn into Disneyland. The reason for this is slightly unclear but no one is complaining. The remaining $16 will be paid in two more installments. One in later March and the other in early May. You can count on 99% of the seniors to make the trip!

CAMDEN'S COUGAR

Camden's Mascot Cougar Brenda Pethman was featured in last Friday's edition of Cougars Tales. Brenda has been doing a great job representing the Cougar spirit and everyone feels it's time that she was recognized. Brenda can be seen at all Camden basketball games screaming and yelling our teams on.

Local bands in jazz festival

Seventy junior high and high school bands composed of more than 1,600 music students in Northern California will attend the Jazz Festival at San Jose City College, scheduled for February 10 from 8 a.m. to 8 p.m.

The Festival, under the auspices of the college's Community Services office and music department, is an annual adjudicating event of the California Music Educators Association.

The bands will play and be judged throughout the entire day, with a noon break scheduled for entertainment by the Chuck Travis Big Band Concert starting at 12 noon.

The public is invited free of charge, to sit in as the bands play. The Chuck Travis Big Band Concert, composed of professional musicians throughout Santa Clara County, is also open to the public without charge.

The only event for the entire day with an admission charge is the Elvin Jones Quartet's Contemporary Jazz Concert, starting at 8 p.m. in the men's gym.

SEVEN BEDS?

When the Yin Yang Water Bed Company on Campbell Avenue was burglarized last weekend, part of the loss included seven waterbed automatic heating units valued at over $350.00.

TO HELP YOU FEEL ACQUAINTED

- We believe that Jesus Christ is the Son of God.
- That righteousness is simply "rightness".
- That there is no one that is righteous.
- That through faith in Christ's death for us, God forgives our past sins.
- That through this forgiveness we can have fellowship with God, person to Person.

Moffett chapel is wedding scene

Daniel John Miller Jr., claimed Susan Rae Harrington as his bride in an afternoon ceremony January 20 held at the Naval Air Station Chapel, Moffett Field, California. The reception followed immediately at the Moffett Field Officer's Club.

The former Miss Harrington is the daughter of Lt. Col. and Mrs. Thomas E. Harrington (USAF Ret.) of Atwater, California. Miller is the son of Mr. and Mrs. Daniel John Miller Sr. of Pasadena, California.

The couple was united in a double ring ceremony by the Rev. E. Dale Bethell, pastor of the First Baptist Church of Atwater.

The bride wore a floor length gown fashioned of white lace and chiffon. The empire lace bodice was set off by a floor length satin bow which tied in the back. Her illusion veil was secured with a comb of seed pearls which also dotted the veil. She carried a bouquet of white cymbidium orchids, white carnations and baby's breath.

Miss Patricia Harrington of Anaheim served as her sister's maid of honor. The groom's sister, Mrs. Sandra Biery, of Pasadena, was bridesmaid. Both were gowned alike in floor length gowns of turquoise velvet with a turquoise polyester bodice. Ivory lace trimmed the empire bodice, short sleeves and neck. They carried identical colonial bouquets of baby's breath, yellow daisy pom poms and white carnations.

Donald Beeson, of Berkeley, served as best man. Craig Harrington, the bride's brother, served as groomsman. Ushers included the groom's two nephews, Brian and Eddie Biery, and the bride's younger brother, Ronald Harrington.

For her daughter's wedding, Mrs. Harrington chose a floor length gown of green silk with turquoise highlights. Her accessories included matching gold bag and shoes and off-white gloves.

Mrs. Miller Sr. wore a floor length turquoise knit, which was set off with matching white shoes, bag and gloves.

The bride is a 1964 graduate of Atwater High School. She received her bachelor's degree in journalism from California State University, San Jose, where she is presently completing work on her master's degree in mass communications. She is currently employed as information assistant at West Valley College in Campbell.

The groom is a 1961 graduate of Pasadena High School. He received his bachelor's degree in business from the University of California, Berkeley, where he was associated with Theta Delta Chi fraternity and his master's degree in business administration from California State University, San Jose. He served two years in the Army as a second lieutenant including a one-year tour of duty in Vietnam. Currently he is assistant store manager of Mervyn's Department Store in Modesto, California.

After a short honeymoon skiing trip to the Lake Tahoe area, the couple is making their first home at 51 Murdell Lane, Livermore, California.

Nancy Benevento weds

MRS. JOHN FREDERICK BRANTON

The Stone Church of Willow Glen was the setting for the afternoon wedding of Nancy Lynn Benevento and John Frederick Branton.

Rev. David Beamer performed the ceremony.

The bride, daughter of Mr. and Mrs. Richard V. Benevento of Campbell, was given in marriage by her father. She wore an empire style gown of sheer fabric bordered with candlelight satin, the bodice of the gown was re-embroidered Alencon lace. Completing her costume was a juliet cap of seed pearls and bouffant veil with scalloped edges. She carried a bouquet of white roses, gardenias and stephanotis.

Susan Williams, sister of the bride, attended her as matron of honor and wore a sapphire velvet empire gown with lace trim, as did bridesmaids Carol Butler, who is also a sister of the bride, Betti Tounger, June Dee and Colleen Williams. The attendants carried bouquets of blue and white mums.

The mother of the bride wore a beige chiffon dress with a fitted embroidered bodice. She also wore a corsage of apricot baby roses.

Tom Branton of Marion, Indiana, brother of the groom, served as best man. Ushers were Lloyd Hartsell, Curt Short and Jerry Venturas.

A buffet dinner dance for 250 guests at St. Michaels Hall followed the ceremony.

The bride, who attended San Jose City College and San Jose State College, is employed as a travel agent at St. Claire Travel Agency in San Jose.

John is a graduate of the University of Wisconsin where he received a Bachelor of Business Administration degree. He is the president of the San Jose JayCees and treasurer of the National Council on Alcoholism of Santa Clara County. He is with the C.P.A. firm of McFarlane, Branton and Fitch.

The newlyweds, who honeymooned in Carmel and Hawaii, are residing in Campbell.

The month of January, though traditionally a slow season, found members of the active WEST VALLEY FEDERATED WOMEN'S CLUB of San Jose involved in special social fund-raisers for two of their many philanthropic projects...Mrs. JEAN DARGIS, chairman, chose the theme "Vintage '73" for a wine tasting-gourmet dinner at the Mirassou Vineyards, to benefit the club's project "Story Time by Cassette Tape" for blind and disabled children of the valley.

Later hours found many West Valleyites dancing at The Outlet and at Sebastians, at the top of the PruneYard Towers...After an evening spent at the San Jose Symphony where Mary Costa was guest soloist, a "Night in Rome" dinner was hosted at the home of the music chairman for the club, MRS. RUDY YANNETTE. The proceeds from this evening are earmarked for the support of the San Jose Youth Symphony Orchestra to further the work of these local youngsters...

Theater group sets musical

The "Pirates of Penzance," the first production of the newly formed Gilbert and Sullivan Society of San Jose, will be produced on Saturday and Sunday, February 17 and 18, at the Santa Clara Blind Center auditorium on Bascom Avenue. Curtain time is 8 p.m. on Saturday and 5 p.m. on Sunday.

The Gilbert and Sullivan Society, according to co-producer Dr. Michael Stein, was founded to provide an outlet for local Gilbert and Sullivan performers and to develop a local audience awareness for the fine G & S Operas. Over 35 citizens from the Greater San Jose Area have worked together under professional supervision to make this dream possible.

An organizational meeting for the G & S Society will be held on Monday evening, February 19 at 7:30 p.m. at 222 South Second St., San Jose. All interested citizens are urged to attend and help to set the future goals and policies of the Gilbert and Sullivan Society of San Jose.

WVC shows film classics of past this Thursday

Those flickering classics of yesteryear will reappear this Thursday, February 8 at 8 p.m. when West Valley College presents the "Nickelodeon."

During the program Charlie Chaplin will appear in "The Tramp," Buster Keaton is featured in "The Blacksmith"; Farina, Joe, Wheezer and all the Gang get into the Little Rascals' thriller, "Spook Spoofing"; and a black-hearted villain, a heroine tied to the laundry mangle, racing trolleys, trains and the Keystone Kops make for a wild 20 minutes in "The Desperate Scoundrel."

The program is the first in the college's spring series sponsored by the office of Community Services. Other offerings this spring include a series on "Man's Descent from the Stars"; palaeontologist Richard Leakey discussing "New Discoveries in the Origins of Man"; Dean Caldwell speaking on "Wall of the Early Morning Light" - the climbing of El Capitan in Yosemite Valley; Dr. Alexander Comfort discussing "Growing Old - What Is It"; Astronaut Edgar Mitchell talking on ESP and experiments he conducted while in space; and a five week art film series.

No advance ticket sales are required for the Nickelodeon but a five-cent admission will be charged at the door.

The films will be shown in the Campbell campus auditorium, corner of Winchester Blvd. and Campbell Ave.

Business Beat

If you really want to see a juggling act, watch **JEFF LOWRANCE**, "bag boy" at **CAMPBELL PLAZA SAFEWAY**, stow groceries in bags, Jeff, a West Valley College student, has "bagging" down to an exact science and delights in having an audience watch him toss fragile items from one hand to another with nary a miss....Wonder about some signs....like the one at the **IRON APPLE** on Campbell Avenue. It once said "Darts" and "Pool," but someone or something has blocked out the "s" and no one has explained if there is a game called "DartPool"....

WELLS FARGO BANK has announced a new service called "Gold Accounts." They say a single fee gets their customers free checks, safe deposit, money orders and a host of other goodies....

CORLISS D. MONK, FIC, Modern Woodmen of America rep, attended a sales conference in Sacto recently....

A branch office of **BELL SAVINGS and LOAN** may open at San Tomas and Campbell Avenues, as a license has been granted by the California Savings and Loan Commissioner.... Another "opening" is that of AVCO's "Age of Aquarius" townhouses this week off Llewellyn Ave....

MERVYN's department store chain has begun construction on Hamilton Avenue slated to open next summer. This makes the fourth in the area.

CAGERS ROLL

West Valley Vikings rolled over Canada 85-68 to register their sixth Camino Norte Conference win in seven decisions and end the league's first half tied for the lead. The win also pushed the state's number three team to a 19-3 season ledger.

The Vikings have a pair of tough games facing them this week if they hope to remain on top of the loop. WVC is on the road for Contra Costa Wednesday to meet the perennially tough Comets. Game time is 8 p.m. in San Pablo.

It's back home to Campbell Saturday night and West Valley hopes for an easier time with Santa Rosa than they had the last time they faced the Bear Cubs. The Vikes will host the Cubs at 8 p.m.

Paul Boskovich ended Saturday's game with 20 points to lead all Vikes. Tim Walsh hit 15 and number three guard Paul Arace (Del Mar) came off the bench to get all of his 12 points in the second half. Enver Apaydin chipped in 10, Bruce Batinich (Blackford), nine, Rick Hile seven, Dave Hubbard (Prospect) and Bill Freed (Prospect) four each and Tim Tolbert (Camden) and Bob Christiansen (Santa Clara) two each.

Arace canned 20 points the Wednesday before for West Valley to spark the league leaders to an easy 81-59 victory over winless Solano.

Four players joined Arace in double figures in the win against the Falcons, the Vikings putting on a very balanced scoring display. Boskovich and Tolbert each pounded home 14, Apaydin got 12 and Walsh hit 10.

Hile, Hubbard and Freed were the only other Vikes who could score in the game. Hile got five, Hubbard four and Freed two. Bill Gerth (Westmont) and Christiansen also saw action, as did Rob Guthrie (Lynbrook) against Canada.

FROSH GUARDS CLICK

The backcourt combo is clicking for the West Valley College freshman basketball team. The pair of Viking guards combined for 64 points in WVC's past two ballgames, but only one was an orange and blue victory.

Mark Williams (Los Gatos) and Rob Guthrie (Lynbrook) are the two headliners for the Vikings.

The Saturday before the Vikes easily rolled by Marin 80-69. Rob Guthrie and Mark Williams popped 17 and 14, respectively, but both had to take a back seat to Bill Gerth (Westmont), who scored 19. Dave Wallace (Prospect), four, Dana Anderson (Prospect), four, Dave Ewell (Buchser), three and Nate Patterson (Westmont), one.

MATMEN STREAK

Marin won a match and drew in another last Thursday. But the West Valley College Viking wrestlers surrounded those decisions with eight individual victories to nail an easy 39-5 Camino Norte Conference victory.

The win, coupled with a 36-15 triumph over Solano in the second half of the double dual match, pushed the Viking's current win string to four straight.

Four Vikings won both of their matches in the double dual at Solano. But no wins were any easier than the pair Jamie Wheeler (Campbell) got at 126. Wheeler won two by forfeits.

Mitch Vierra (Westmont) won 10-3 and by forfeit, Don Arata (Peterson) by pin and by forfeit and Dal Robinson (Saratoga) by forfeit and a 6-3 decision. Roger McCampbell (Peterson) was a 7-4 winner in the heavyweight bout against Marin and Mark Sevigny (Del Mar) won by forfeit in the same class against Solano.

Mike Walker (Campbell) tied his first for 5-5 and then won by forfeit in the second match.

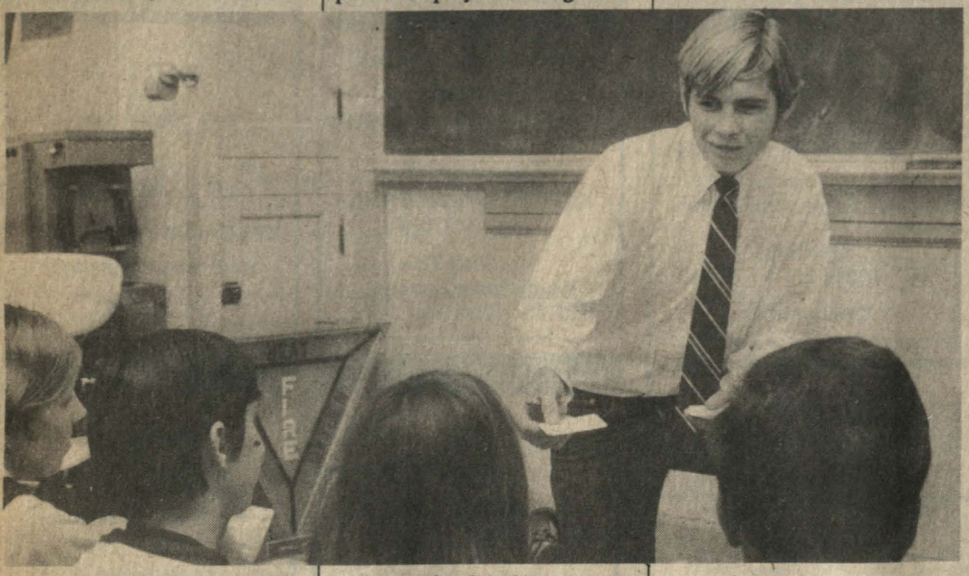
GRUESOME DISPLAY--Police Sgt. Frank Furtaw will emphasize the law enforcement problems that can confront the baby-sitters at the 10th baby-sitters seminar, sponsored by the fire department, which opens Feb. 13. Sgt. Furtaw will show a complete display of drugs and their accessories (above) and also present a special TV film on the right and wrong way to act.



PARTICIPANTS --- Students from the San Jose State recreation department will again assist at the fire department's baby-sitters seminars which opens its tenth session next Tuesday.

MORE ABOUT

Baby-sitters Seminar

(Continued from Page 1)

cameraman of this TV drama.

Kitchen safety and food preparation, as in the past, is under the direction of the home economics department of the Campbell Union High School District. Mrs. Emily Hornbucker is the director. Mrs. Janet Brawn will be the instructor for this seminar.

As has been the case from the beginning, a real baby will be part of the class of bathing and feeding a baby. Mrs. Pam Fitzgerald will be the instructor, assisted by her seven-month old son, Ryan.

Taking part again as instructors in the activity for pre-school children will be students in the San Jose State recreation department.

Christian said that the final test of this seminar, for the first time, will feature a group of 20 children, from two to six years of age. Each student in the seminar will be judged under actual baby-sitting conditions, with the help of the young "visitors."

The seminar is limited to 40 students, selected from a lengthy waiting list. More than 500 students will have gone through the seminars when this current class is graduated, Christian said.

AT THE FIRST ONE---At the first baby-sitters seminar conducted by the Campbell Fire Department in 1969, the then mayor, Homer Hyde, (left) with the now retired fire chief, now in Anchorage, Alaska, (center), congratulate the first graduate.

FIREMEN INSTRUCTORS---Firemen Mike Johnson (left) and Fire Engineer Jack Christian (right) will again be in charge of the resuscitation demonstration at the tenth baby-sitters seminar as they have been in the past seminars. Christian has also been director of the seminars from their inception in 1969.

Letters to the Editor

INK

POSTAL SERVICE

Dear Sir:

After reading today's letter to the editor from the President of the Campbell branch of the Letter Carriers' Association, Mr. Robert McClain, I feel I must make a few comments regarding the Postal Service.

My mother wrote to me on January 4, 1973 from Los Angeles (postmark date). I received it on January 15. She wrote again on January 12 (postmark date) to see why I hadn't answered her first letter. I received the second letter the next day, January 13. I don't know why or what caused the first letter to be so late. Perhaps it's our government's new "U.S. Postal Service Savings Technique." I'm sure there are other local postal patrons who have had similar experiences. I'm not blaming the letter carrier. He is merely following orders from a higher authority.

Mr. McClain, I know what you are up against. I will write to my Congressman, Senator, Governor, and President.

Somewhere along the line someone might acknowledge one of us citizens who pay their salaries.

If we are paying for first class postage, truly we are ENTITLED to first class service.

Sincerely,
Mrs. Robert T. Stanton, housewife,
Campbell.

EDITORIAL RESPONSE

Dear George:

I would like to respond to two points that you raised in your editorial (Wednesday, January 31, 1973) entitled "Why the 'Mystery' "?

First, you state that the announcement by Judge John S. McInerny that a stipulated settlement had been agreed upon by counsel "was premature" and you implied that because the settlement stipulation had been arrived at in the Judge's chambers and not in an open meeting that the intent of the Brown Act may have been violated.

This point reveals a misunderstanding of the important public policy of open meetings embodied by the Brown Act in relation to the equally important public policy of settlement of litigation. There is nothing in the Brown Act which is intended to thwart or restrict the ability of the judiciary to encourage the settlement of litigation involving public agencies or to eliminate the confidentiality of the attorney-client relationship when it involves a public agency.

Settlement negotiations are particularly sensitive activities In a settlement conference, the role of the judge is to provide the attorneys on both sides with a frank appraisal of the strength and weaknesses and the gains and risks involved. The attorneys, as officers of the court and as competent counsel, have the same obligation to their client. If the public's "right to know" compelled admission of an audience candid and effective negotiations would be impossible and the public policy favoring settlement would be completely destroyed.

Judge McInerny's action in announcing that a stipulated settlement had been agreed upon by counsel was entirely proper and was not premature. The judge and the attorneys for both sides correctly maintained the confidentiality of the stipulation which had been entered into by counsel because it was subject to the official action and approval of the School Board.

Secondly, you suggest that because of the "so called out-of-court settlement," we must assume..."Royer won."

I am fully cognizant that there are people in our community who are disappointed that the Royer case was not tried and who would like to interpret the settlement as either a victory for Royer and a defeat for the Board Majority or vice-versa.

Those who choose to interpret it as victory for Mr. Royer emphasize that if the District had not breached the contract there would be no need to pay Mr. Royer $45,000.00 in a settlement.

Those who choose to interpret it as a defeat for Mr. Royer emphasize that in his open letter to the public on March 8, 1971, Mr. Royer stated: "It is my intention to use every means at my disposal to be reinstated to the position of district superintendent and to serve in that capacity until my contract expires on June 30, 1973." The same people argue that Royer settled for a monetary amount that was one-tenth of the $500,000.00 for which he sued. They also contend that he would have received a salary of approximately $36,000.00 as District Superintendent for each of the two years remaining on his contract plus retirement contributions from the District, but that he settled for an amount that was not substantially in excess of one year's salary.

In fact, the settlement is neither a victory nor a defeat for either side. It is a compromise. A compromise by definition contains elements which are not satisfactory to everyone. To reach a compromise opposing sides must be willing to give as well as to take. That a reasonable adjustment of conflicting interests has been accomplished is an indication of wisdom and maturity.

There is much important unfinished work that remains to be completed in our District. It is my sincere hope that our entire community will exercise the good will, the tolerance and the wisdom to get the job done.

CUSD Board Member

Lopes to run for WVC board

Foster S. Lopes, incumbent member of the West Valley College governing board, has announced his candidacy for re-election. Lopes was originally elected to his present post in 1969, topping a field of six candidates. He holds one of the two seats representing Santa Clara Unified School District within the college district.

Lopes is currently vice-chairman of the West Valley College governing board. He had served as secretary-treasurer and vice-president of the County School Boards Association for 1970-71 and 1971-72 respectively. In 1971 he was appointed to the Community College Chancellor's Advisory Committee on Educational Standards.
